Confirm with your district before booking travel. Districts can change a calendar after it is approved, for example to make up snow days.

Read from the district's staff calendar. The district has not published a student calendar for 2027-28 yet, so these dates come from its employee calendar. What it does not say in words about students: The staff development day (Oct 11, Jan 4) and parent/teacher conference flex day (Apr 17) entries describe teachers and assistants only, that students have no school on them is read from the calendar's colour key, not printed in words.
